

SECOND ANNUAL

MADHOUSE JINGLE BALL

This year, as a joint effort with the Riverside County Professional Firefighters Benevolent Fund (RCPFBF), Temecula Fire Station 73 is hosting our Second Annual Madhouse Jingle Ball. Our event consists of a 4-man scramble golf tournament followed by a dinner banquet including awards, raffles, silent auction and an ugly sweater competition. Our goal for our event is to raise money for one of our brothers or sisters in need. Last year we raised almost \$11,000 for one of our brothers who had lost his wife to a battle with cancer. This year we are looking to continue our success and support one of our members by requesting donations. For our event we have multiple packages for donations. If you would like to support our event without utilizing our packages we have raffle and silent auction donations needs as well.

The RCPFBF is proud to support the firefighters and cooperators in Riverside County. The firefighters of Riverside County provide fire, rescue, EMS and community services to one of the largest counties in California. It is the goal of the RCPFBF Fund to be able to support those men and women in their time of need. The RCPFBF is a 501(c)(3) (Non-Profit) and is comprised of a board of elected individuals, from CALFIRE Local Union 2881. The RCPFBF not only supports the firefighters of Riverside County, it also supports other nonprofit organizations that are affiliated with the fire service, such as cancer research and the burn institutes.

The Station 73 family appreciates all contributions as we begin our second journey in our annual fundraising efforts. We invite everyone to join us for a great day of golf and entertainment. All donations made are tax deductible, under IRS 501(c)(3) tax laws. A receipt will be provided to you after we receive your donation. All donations are used to assist our members or provide a charitable venture our Association approves.

All sponsorship logos and advertisements must be submitted and approved by October 21, 2018.

For more information or for sponsorship please contact Kyle.
