The members of the Riverside County Professional Firefighters Benevolent Fund (RCPFBF) are asking for your assistance. These members selflessly serve you, the public, performing life saving efforts throughout Riverside County. You can find these members responding to medical emergencies, fires of all types, rescues, and hazardous materials incidents to name a few. These members fill positions, as Battalion Chiefs, Fire Captains, Fire Apparatus Engineers and Firefighters most are paramedics who provide emergency medical services to the sick or injured.

Although our members are represented by **CAL Fire Local 2881** an affiliate of the IAFF, assisting our members needing physical, emotional, or financial support comes from our members themselves and generous contributions by you.

In addition to the support needed after a catastrophic incident involving one or many of our members, the RCPFBF supports many local community programs. The most treasured is our Shop With A Firefighter program, which takes place during the holiday season. Underprivileged children who are participants in the foster care system within the Riverside County Social Services Agency meet up with firefighters and go shopping. \$150 is used to purchase clothes and school supplies and the remaining \$50 is used to purchase toys for themselves or their family members.

Please take some time to review the documentation, all donations made are tax deductible, under IRS 501(c)3 tax laws. A receipt will be provided to you after we receive your donation. All donations are used to assist our members or provide a charitable venture our Association approves. Our RCPFBF is made up of volunteers from our membership exclusively. Your donation is appreciated and will make a difference.
