

Wendi Miller Charity Gun Raffle

Why Help?

In order to support our sister Wendi Miller in her fight with cancer we are holding a charity gun raffle. This is in conjunction with the Local 2881 Benevolent Fund. The funds raised will help Wendi to cover the costs associated with her cancer. There are many unexpected expenses that come with fighting a cancer that aren't covered by insurance. This provides you with a chance to support an amazing individual who has lived a life of service all while exercising your second amendment rights!!
